# SODAP WINES

## *Paphos Regional Wines*

### 'STROUMBEL' Maratheftiko

Deep intense cherry red colour, elegant aromas full of fruit with a slight mintiness and varietal character combined with suspicions of smokey oak forming a well-integrated and complex nose.

Long palate, full and round, well balanced with silky smooth tannins. The same aromas as on the nose, as well as some vanilla, that manifests the French Oak Barrel at the end-palate, create a harmonious wine that fully respects the grape variety and its region of origin. Excellent with red meat and spicy food

### 'STROUMBEL' Shiraz

This excellent Shiraz has a deep brick red colour with an intense maroon and purple hue. Intense nose with notes of lifted sweet spice reminiscent of pepper and mint, integrated with black fruits characteristic of cranberries and mature fig, cloaked in delicate oak. Medium bodied and well structured with a refreshing acidity and sturdy sweet fruits. Black fruits on the fore palate lengthening to infused cranberries and sweet plum integrated with subtle oak, finishing long with lingering pepper, blackcurrants and velvety tannins. Great to enjoy with, fillet and wild bush tomato sauce.

### 'STROUMBEL' Merlot Noir

This mountain grown Merlot has deep cherry-red colour with intense fruit flavours reminiscent of black cherries, currants, and blackberries.

On the palate, it is rich and wealthy, bursting with flavours of black fruits, backed by chocolate and vanilla oak notes and round, chewy tannins.

Though enjoyable at present, this classic wine has the structure and intensity to improve with aging.

This versatile wine is an excellent accompaniment to any red meat, poultry, or pasta dish. For a special treat, try it with rack of lamb or roast quail.

### 'STROUMBEL' Chardonnay

This unique wine shows aromas expressive of mango, pineapple and honey underscored by impressions of toast, vanilla and butter lent by the barrel.

The nose reveals ripe apple, melon, citrus and tropical fruit aromas enriched by spicy French oak nuances and appealing baked bread scents. These carry onto the mouthfilling, creamy palate, with rich tropical fruit flavors buttressed by toasty oak tones that create a lush impression, which is balanced by a long, crisp finish imbued with the refreshing minerality that makes the wine show extraordinary texture, crisp acidity and enormous depth.

### 'STROUMBEL' Lefkadha

This Cypriot varietal has a deep red colour with vibrant, violet and crimson hues.

Its moderately intense nose, is reminiscent of Christmas pudding, stewed plums, and cranberries, integrated with a dusty earthiness and mellowed oak. This medium-full bodied red varietal displays a broad spectrum of deep rich black fruits, infused with undertones of chocolate and sweet French oak. This wine is festively reminiscent of Christmas pudding, exhibiting an array of sweet dark fruits, characteristic of sweet plums, prunes, blackberry jam, enhanced by hefty vanillan oak and chewy tannins, finishing with lingering, caramelised plums and fresh cranberries.
